COMMUNITY PLAN UPDATE & REVISION:

As part of the County-wide General Plan Update, all community planning and sponsor groups are updating and revising their individual community plans. Community plans help identify and guide community character and future development. The focus of this special meeting is to develop the Background Data Section and the Vision Statement. The County has set a September 30th deadline. The following issues will be addressed in each section:

Background Data Section: History; Relationship to Adjoining Communities; Environmental Setting; Existing Land Uses and Community Character; Existing Circulation and Mobility; Existing Community Facilities and Infrastructure; Public Safety; Trends and Future Projections.

Vision Statement: Functional Role-- Who We Are; Community Character; Circulation and Mobility; Community Services and Infrastructure; Environmental Resources and Sustainability; Economy; Safety; Human and Social Well-Being.
